

Partnership Week 2025

Partnerships Towards Resilience

06th - 09th
October 2025

Introduction

The Maldivian Red Crescent (MRC) has been at the forefront of humanitarian action in the Maldives, building community resilience and delivering humanitarian services through strategic partnerships.

Partnerships have been key in strengthening our ability to expand impact, widen reach, and reach the most vulnerable.

Partnership Week 2025

MRC Partnership Week is a platform created to strengthen and promote our partnerships.

Replacing our bi-annual forum, the event offers a week-long series of engagements that bring together government agencies, local and international partners, diplomatic missions, civil society, private sector and the Red Cross Red Crescent Movement partners.

Through a blend of in-person and virtual sessions, we aim to:

1. Showcase the progress achieved under our Strategic Plan 2019 – 2030
2. Highlight collaboration opportunities across sectors.
3. Reinforce our auxiliary role and commitment to humanitarian action
4. Ignite partnerships for long-term sustainability
